

Players Tab

- Only sections/lines with asterisk (*) are required.
 - This section may need to be updated once the project is started.
 - If the billing contact information is the same as the client, click on billing and then select "Same as Client"

The screenshot shows a software interface with a 'Players Tab' section. The main window displays project information for '7-9 Hamilton Place' in Boston, MA. Below this, there are fields for 'Client', 'Billing', 'Architect', and other roles. A 'Choose Contact... (Billing)' dialog box is open, showing details for 'City Realty/CRM Property Corp.' in Brookline, MA. The 'Contact' section of the dialog box is selected, and the 'Same As Client' button is circled in red. Other buttons in the dialog include 'Add to Outlook', 'Remove From Project', 'Add New Company', 'Add Location', 'Add Contact', 'Send to Viewpoint', and 'Apply to Job'.
