

WATER AND SEWER COMMISSION

We operate and protect Boston's water and sewer systems.

PAGE SECTIONS

Established in 1977, the Boston Water and Sewer Commission provides water and sewer services to more than one million residents, workers, students, shoppers, conventioners, hospital patients, and visitors each day.

All applicable fees will be deducted from the deposit:

- The rental charge for a 90-day period is \$100.00
- Water usage is additional
- If the water returns to the sewer system, there is also a sewer charge

**Additional charges may apply*

BWSC's meter must be returned to BWSC at the end of the 90-day period for reading and billing purposes. If the customer requires extended use of the hydrant meter, a new permit can be issued for an additional 90 days with an additional \$750.00 deposit.

To obtain a Hydrant Meter Permit or for more information, please contact Metering at **617-989-7138**.
